UF/IFAS Extension Florida 4-H Project Handouts

Florida 4-H has a Project Handout for each Project. URLs for each are included. Note that some are new and some are old. Please know we are working to update the old project handouts- these will be available before the 2015 Program year (by July 1 or before). Please distribute these to youth, families and volunteers.

Updated August 17, 2015

Title	Project Handout Link	Old Project Handout to Use Until New is Provided
