Summertime was made for adventures...although kids want to have fun, parents want them to get a little education too, RIGHT? Between swimming, canoeing, hiking, snorkeling, campfires and recreational games, what more could any kid ask for in an adventure?

But did you realize all these activities are also teaching youth while they have fun? With all four of our camps in Florida offering Marine, Gator Adventures, Shooting Sports and a Senior Camp, your youth are sure to find just what they're looking for this summer.

These centers provide a unique educational opportunity, emphasizing Florida's ecosystems. They allow youth not only to learn, but to experience Florida's environment first hand.

All programs and related activities sponsored for, or assisted by, UF/IFAS EXTENSION are open to all persons with non-discrimination with respect to race, creed, color, religion, disability, sex, sexual orientation, marital status, national origin, political opinions or affiliations.
