

2009 Florida 4-H Congress

Registration Fees and Refund Policy

All youth and adult registrations must be submitted online at <http://florida4h.org/events/congress.shtml> by June 1, 2009 at 4:30 pm.

A late registration fee of \$30 per county will be assessed for all late registrations. Late registrations will only be accepted until June 8, 2008.

An invoice and a registration summary will be mailed and faxed to each registered county after registrations are received. Please make arrangements with someone in your office to process payment for you if you are out at camp during the weeks prior to when payment and summaries are due.

Full payment and any corrections to the registration summary must be received July 1, 2009. County checks should be made payable to the Florida 4-H Foundation. Only one county check from each county should be sent. A \$30 late fee per county will be imposed on balances received after July 15, 2008. These fees will not be waived, as we require registration fees to pay for program expenses up front.
