

Challenge to all 4-H Volunteers

Want to go to State Volunteer Forum (April 24-26) and/or Southern Region Volunteer Forum at Rock Eagle (Oct. 23-25) and your county isn't able to fund your way?

Start today and save **\$1.00** a day and by April 1st you will have over **\$100.00**, that is enough to pay for the State Forum and save the rest toward Rock Eagle.

Start saving again on April 1st and by the end of August you will have over **\$200.00** toward Rock Eagle. Then all you have to do is convince other volunteers in your county to do the same and you can all ride together and share gas.

We will fill the auditorium with Florida Volunteers. What a great way to celebrate our **100 Years of 4-H**.

Are you a member of the Florida 4-H Volunteer Association? If not – why not? The dues are only \$5 and you will be joining with volunteers from all over the state of Florida. The annual meeting is held at the State Forum in April.
