

YOU ARE INVITED

To: The Florida 4-H Volunteer Association and the University of Florida invite you to join us at the State Volunteer Forum to celebrate the 100th Birthday of 4-H in Florida. There will be plenty of workshops to peak your interests, good food and loads of fun.

Where: Camp Ocala

When: April 24-26, 2009

We are asking volunteers to bring a historical scrapbook from your county to help celebrate our 100th birthday. If you don't have pictures yourself, you can check with your county office and they may have pictures from the past.

During the weekend we will have a Florida 4-H Volunteer Association meeting where we will be holding elections for new officers and the swearing in of those officers. We will also be taking applications for new members and renewal of past members. Now is the time to find out exactly what the Florida 4-H Volunteer Association is about and become a part of it.

We will have a Silent Auction to raise funds to support the Association. We are requesting donated items to be sold in the Silent Auction and asking each county to bring a door prize basket to be given away during the weekend.

Registration information and workshop descriptions are attached. We are looking forward to having a great weekend on tap and hope you can join us.

Regards,

Karen Kirkendall

President
Florida 4-H Volunteer Association
