

NYSD 2015 Youth Survey

We hope that you enjoyed participating in the National Youth Science Day experiment, 4-H Motion Commotion. Please answer these questions to help us improve next year's event!

1. Because I participated in the 4-H Motion Commotion Experiment,

	Strongly Agree	Agree	Neither Agree nor Disagree	Disagree	Strongly Disagree
I recognize how the science of motion is part of everyday life	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can explain how reaction time is important when driving, walking, or biking	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I can explain terms like momentum and speed	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I would like to participate in more activities like Motion Commotion	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

2. Did you make a commitment or pledge to help teach others about the dangers of distracted driving?

- Yes
- No

3. Did your club or school plan an activity to help your community understand the dangers of distracted driving?

- Yes. If so, please tell us what you did \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
- No

4. What was the most important thing that you learned from the 4-H Motion Commotion Experiment?

Thank you for taking this survey! Please help spread the word about 4-H and the dangers of distracted driving. Learn more about 4-H opportunities at <http://florida4h.org> or follow us on Facebook, Twitter, Instagram, or Snapchat.
