Dear 4-H Member;

Florida 4-H is currently conducting a survey of 4-H'ers who are completing or have completed their last year as a 4-H member. We commend you for your commitment to the 4-H program and hope you feel your involvement in 4-H has enriched your life.

The purpose of the survey is to determine your level of satisfaction during your 4-H experience. We also hope to identify if there are changes that need to be made in the 4-H program that will make it a more appealing program for youth such as you. We hope to gain information that will identify both the strengths and shortcomings of the local 4-H program. We continually strive to offer a high-quality program for youth and welcome any suggestions for improvement.

Please complete the survey on line within a few days. We appreciate you taking the time to complete the survey with your honest responses.

Our goal is to make 4-H a positive experience for all youth. Thank you for completing the survey and helping to improve the quality of the 4-H program!

Sincerely,
Marilyn N. Norman, Ph.D.
