

Please tell us why you are not in 4-H this year?

1. Introduction

University of Florida
IFAS Extension
Florida 4-H Program
3103 McCarty Hall B
Gainesville, FL 32611

The Florida 4-H Program is currently conducting a survey of former 4-H members who decided not to re-enroll in 4-H. In our local 4-H program, it is our goal to provide fun, educational learning experiences that meet your needs. The purpose of the survey is to identify if there are changes that need to be made in the 4-h program that will make it a more appealing program for youth such as you. We hope to gain information that will identify both the strengths and shortcomings of the local 4-H program. We continually strive to offer a high-quality program for youth and welcome any suggestions for improvement.

Please answer the questions honestly, letting us know if there were problems or issues that led to your decision to not re-enroll this year. Your answers will be pooled with others and kept in confidence. Please complete the survey in the next two weeks. Our goal is to make 4-H a positive experience for all youth in Florida. Thank you for completing the survey and helping to improve the quality of the 4-H program!

Sincerely,

Marilyn N. Norman
State 4-H Program Leader

P.S. We'd sure like to have you back in 4-H! Please feel free to attend any of the upcoming 4-H events or activities -- and call us if you'd like to re-join 4-H!

Please tell us why you are not in 4-H this year?

2. Default Section

We would appreciate your input on why you decided not to re-enroll in 4-H this year. Please answer the questions honestly. Your answers will help us "Make the Best Better".
