

# #4HServesFlorida

**As 4-H'ers, we pledge "our hands to larger service."  
While many Floridians face the challenge of putting their  
lives back together after Hurricane Irma,  
Florida 4-H is here to help.**

The Florida 4-H Club Foundation, Inc. and the UF/IFAS Florida 4-H Youth Development Program are working together to gather support for our 4-H county programs, clubs, camps, gardens and many communities directly affected.

The **#4HServesFlorida** campaign supports the 4-H mission of service.  
**All funds donated will be distributed throughout  
the state to support the 4-H mission of service.**
